BILL STULL

DEAN WARNER

Mr. Stull and Mr. Warner are responsible for keeping the building a clean and healthy place in which to work. It is their duty to restore the building to order following any school activity.

With their aid, we have approached the end of many bright and shining days as illustrated by the two, tired but happy, Seniors, pictured below. The school building, the workshop of our two custodians, is pictured in the background.

SENIORS

FROM PORTAL TO PORTAL

FIRST YEAR

We freshmen began our journey with high spirits, and a sense of adventure, but all too soon we encountered the difficulties of high school work. Nevertheless, we traveled the road without shirking, and at the end of our first year we had absorbed much knowledge, tasted the social life, engaged in athletics, and participated in scholarship.

SECOND YEAR

Although it was hard for us to realize it, we were great big sophomores. More than before, our abilities gained us recognition in every field of endeavor, especially in sports. And more than before, we were conscious of society.

THIRD YEAR

Juniors! Just think, we're juniors! My how time did fly. We presented a dandy performance of "Almost Summer," with much credit going to Mr. Nagel. Our boys starred in football, and performed brilliantly in basketball. Besides that, several of our masterminds did well in scholarship. Of course, the big social event was the Junior-Senior Prom held at Shady Hollow Country Club.

FOURTH YEAR

We have reached the last leg of our journey now, and wistfully we recollect the struggles and accomplishments of the first few miles. Not much concerned, however, are we with the past, for the affairs of the present keep us busily engaged. Our record has been good, and we are proud. Our class will be remembered chiefly for its superb athletes, but no less distinguished are those who have worked diligently and consistently in music, scholarship, and the other activities which mold the man. May our record in life be as noteworthy.

JUNIORS

Now that we've gained the rank of "Juniors," the eleventh rung on the ladder of 'secondary education,' we're studying, reading catalogs with serious intentions, working part-time in local establishments, wishing for a part in the Junior Play, looking forward to the Prom with "mixed emotions" and hoping to make 304 by forty-nine.

We're well represented in all phases of school life, too; the Varsity team, debate, band, orchestra and glee clubs, and two of the six cheerleaders are Juniors. The first and last touchdowns made in the new Memorial Stadium were made by a promising Junior athlete, and as no minor detail, atoms, shorthand, participles and quadratic equations have really begun to sink in. Who knows, the Junior Class may shelter another Einstein!

As for the future—"Just watch us grow."

SOPHOMORES

Safe over the freshman bumps, the Class of 1950 has the definite distinction of a palpitating past and a flabbergasting future. No-Ca-Hi activities have their Sophomore representatives who really established records for themselves. Although well represented in athletics, music, and dramatics, the class has its share of scholars.

North Canton High School is proud of the Class of 1950—at least the Sophomores think so!

FRESHMEN

This intelligent group of young people are now embarking on the ship to carry them through high school. They have a good start. Their basketball team will soon compose the school's varsity team and well it might for they have won half of their games. Social events are still rather scarce but they attend the Saturday Nighter Club well and their Freshman and Sophomore Parties are very successful.

This class is an all around group for its members excel in sports, dramatic ability, debate, and musical talent. The school is very proud to have them as members.

MUSIC

ORCHESTRA

The orchestra of No-Ca-Hi has become a very talented organization. They have done a great job in performing for the various plays and also in providing orchestration for this year's operetta. The orchestra also attended various contests where they had ample opportunity to display their fine talent. The orchestra has made promising progress this year and will probably go on to greater heights in coming years.

BAND

The North Canton Viking Band made a fine record for itself this year, both in marching and in concert work. In the beginning, they acquired a new director, and under his able supervision, they made a spectacular showing during the 1947 football season. They also had new uniforms, entirely different from the old, even to the addition of spats and hat lights. During their concert season, they participated in several contests from which they received various honors. The Viking Band has become widely known for its great marching and playing abilities and has indeed a promising future.

FIRST ROW—Barbara Miller, Ellen Lantry, Ronnie Morrow, Marilyn Baker, Louise Bear, Sherwin Snyder, Ruth Burkholtz, Joanne Grove, Don Humbert, Barbara Bierly, Don Kaufman, Pat Masline.

SIXTH ROW—Mr. Seppelin, Marilyn Kaufman.

SEVENTH ROW—Joanne Saylor, Shirley DeBonney, Cynthia Yonally, Julia Stroup, Patsy Post.

Our band (forming an N. C., above) contributed freely its various skills toward making a successful evening. The band has amazed us by its ability to perform intricate dance steps and still produce music that was both entertaining and good. Of course no band is complete without pretty, high-stepping majorettes. We were lucky in having six (shown above). Left to Right, they are Patsy Post, Julia Stroup, Shirley DeBonney, Cynthia Yonally and Joanne Saylor. The Drum Major-ett is Marilyn Kaufman. All these girls have added that necessary glitter and are to be complimented on their fine work.

OPERETTA

The operetta, "H. M. S. Pinafore," by W. S. Gilbert and Arthur Sullivan, was presented by the boys' and girls' glee clubs in the latter part of November. The "H. M. S. Pinafore" is a nautical operetta in two acts and may well be called the story of a lass that loved a sailor, for the story hinged on the love and outcomes of all the leads' adventures. Leading parts were played by the following: SIR JOSEPH PORTER, Bill Liebttag, CAPTAIN CORCORAN, Ray Sumser, RALPH RACKSTRAW, Roland Swanson, DICK DEADEYE, Sherman Pratt, BOATSWAIN, Dick Seemann, JOSEPHINE, Joanne Grove, COUSIN HEBE, Shirley Trott, and LITTLE BUTTERCUP, Barbara Miller. The leads and the entire cast did a fine job on this famous old operetta.

The Senior Play "Are You Mr. Butterworth?" might better have been called "Anything Can Happen," as almost everything did. The general theme of the play was a mystery-comedy involving the disappearance of some jewels in possession of an explosive Mr. Bashinsky, jewelry salesman. Besides the mystery of the jewels, the audience was kept in lingering suspense wondering when Mr. Butterworth would show up. Also mingled with the plot were numerous performances by unauthorized and unexpected characters. The play, directed by Mrs. Meyer, was well received.

"ANNIE LAURIE"

L. to R.—Mrs. Meyer, Weirich, Trott, Shetler, Owens, Bear, Heckaman, Schreckengost, Surbey, Stroup, Zimmerman, Gill, Brothers, Liebttag, W. Brown, Logan.

On Friday, February 28, 1948, the Dramatic Club presented ANNIE LAURIE, a three act drama of tragedy, hatred, and love.

Annie Laurie has fallen in love with a Sir William Douglas, a young man belonging to a clan much hated by the Lauries. Therefore, Annie doesn't wish to marry Lord Ferguson to whom she is engaged. A war arises and both men answer the call of their country. Two years later is Annie's wedding day. She must marry Lord Ferguson because Sir William Douglas never returned from the war. But when the wedding march is about to begin, Sir Douglas does return and Annie leaves with him. They try to cross a lake in a raging storm. They are nearly drowned but Lord Ferguson rescues them. Lord Ferguson then releases Annie from her promise and she marries Lord Douglas. Thus the hatred of the clans is dissolved.

On a cold winter morning a little snail was laboriously inching his way up a cherry tree when a smart aleck young beetle stuck his head out of a crack and said, "Hey, don't you know you are knocking yourself out for nothing? There ain't no cherries up there."

"Don't let it worry you, bub," snapped the snail. "There will be cherries when I get there."
